# The Hollybush

You'll find the Hollybush, a friendly, welcoming 200-year old countryside inn, on the picturesque crossroads in the village of Draethen, which is set in the countryside near Machen.

The stylishly simple interior is light and airy with a nice mix of old furniture and a log fire that burns warmly in the winter. The Hollybush Inn has a downstairs bar area and upstairs there is a lovely restaurant with views over the village and stream. The garden is delightful in summer with shrubbery and trees sheltering the lawns and plenty of outside tables under parasols on the patio terrace. Perfect for any wedding photographs
